TIPS ON ACCURATE MEASURING:

We want your custom suit to fit properly. Please follow these instructions to insure the best possible product. We cannot be responsible for any errors in measurement's.

1. Use a cloth-type measuring tape (measure in inches).
2. Please wear shoes when measuring.
3. Have someone assist you in measuring.
4. Please be precise in all measurements, do not adjust (add or subtract) measurements for any allowances.
5. Contact our design dept. for assistance.

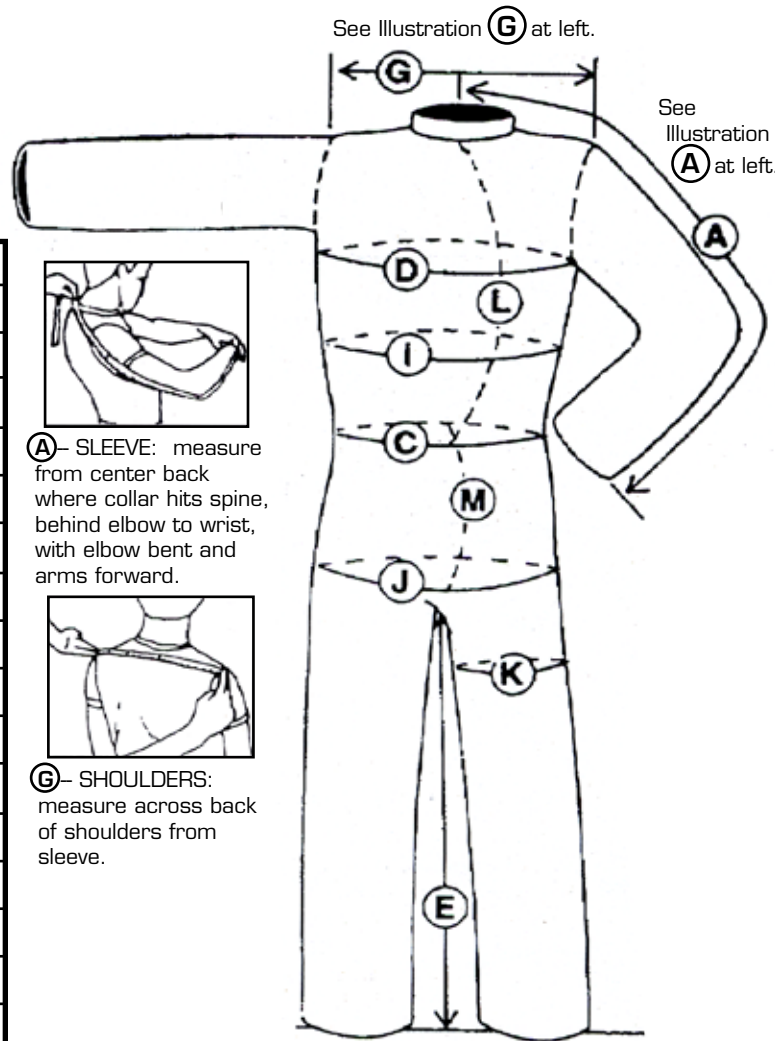

Don't measure yourself. Those measurements are never accurate.

Have someone else measure you.
